The Agriculture Building, built in 1961 on the south side of the Grandstand, is one of the fairgrounds' most flexible rental venues. As the first climate-controlled building on the grounds, it offers year-round comfort for public and private events. Its spacious open floor plan adapts easily for wedding receptions, quinceañeras, company parties, banquets, meetings, shows, and more, with room to comfortably seat up to 800 guests.

Prices are subject to change without notice. For accessibility details, visit <https://mostatefairgrounds.com/plan-event/accessibility/>.
