# Cattle Barns

The Cattle Barns, originally built in 1904 with expansions in 1905, 1907, 1929, and 1941, offer a historic yet functional setting for livestock events. Constructed of brick, they feature drive-through asphalt alleyways, compacted lime stalls, and premium oak mulch. Located conveniently behind the Coliseum, the barns are ideal for shows using both facilities. The space includes more than 1,400 stalls along with cattle wash racks.
